"Seeds That Pay to Grow."

Danish Ballhead.

HEMAN GLASS SEED CO.
Lakeview Seed Farm,
ROCHESTER, N. Y.

Words of Appreciation.

Mr. Heman Glass—Having repeatedly used your seeds in my own garden, I desire to say to all members of our Order, and to all others who wish seeds true to name and that will grow, that they will get them and square dealing by sending to Bro. Glass.

O. H. HALE, Past Master New York State Grange.

Mr. Heman Glass—The garden seeds I purchased of you in the spring were unusually fertile and vigorous.

W. F. HILL, Master Pennsylvania State Grange.

Mr. Heman Glass—We find your seeds the most reliable of any we buy.

JENNIE BUELL, Secretary Michigan State Grange.

Last year I ordered seeds from you and I never had so many for the money before or had them prove so good. Please send me a catalogue that I may order my seeds from you this year.

GLADDING SUTTON,

Secretary Jeralds Valley Grange, Hunter, N. Y.

Wholesale Price List

FOR

Market Gardeners.

Having been engaged in practical market gardening for the past thirty years we believe we understand fully the wants of gardeners, and appreciate the importance of good seed in successful gardening. It is for our interest to secure *the best seed that can be grown*, for we use the same seed in our own gardening that we supply to our customers. It would not pay us or our customers to use seeds of inferior quality.

We aim to put on the market not only "seeds that grow," but

Seeds that Pay to Grow.

In the following list we have made prices as low as good seeds can be sold for. Some seeds are very scarce and the prices this year are higher than usual. Of some varieties there is not enough to supply the usual demand and orders should be sent in early.

The prices for farm seeds, small fruits and plants are not given in this list, but on those we give to gardeners *a discount of 10 per cent.* from the prices given in our catalogue. Where the price is fluctuating and is not given, the lowest *net cash* price will be given on application.

The postage or express charges on the seeds are not included in the prices in this list, except for packet and ounces, which will be sent by mail *prepaid*.

When ordering seeds sent by express or freight please give your nearest express or freight office *when different from your postoffice*.

Please send money as directed on page 2 of the cover of our catalogue.
